PECB Certified ISO 22301 Foundation

Become acquainted with the best practices of Business Continuity Management Systems (BCMS) based on ISO 22301

Why should you attend?

This training course is designed to help participants understand the fundamental concepts and principles of a business continuity management system (BCMS) based on ISO 22301. By attending this training course, participants will learn more about the structure and requirements of the standard including the BCMS policy, the top management's commitment, internal audit, management review, and continual improvement process.

After attending the training course, you can sit for the exam and, if you successfully pass it, you can apply for the "PECB Certified ISO 22301 Foundation" credential. A PECB Foundation certificate shows that you have knowledge on the fundamental concepts, principles, methodologies, requirements, framework, and management approach used in business continuity.

Who should attend?

- Individuals involved in business continuity
- Individuals seeking to gain knowledge about the main processes of business continuity management systems (BCMS)
- Individuals interested to pursue a career in business continuity

Learning objectives

- Acknowledge the correlation between ISO 22301 and other standards and regulatory frameworks
- Understand the components and the operation of a BCMS based on ISO 22301 and its principal processes
- Understand the concepts, approaches, methods, and techniques used for the implementation and management of a BCMS

Course agenda

DURATION: 2 DAYS

- Introduction to business continuity management system (BCMS) and ISO 22301
- Business continuity management system and certification exam

Prerequisites

- None

Examination

DURATION: 3 HOUR

The "PECB Certified ISO 22301 Foundation" exam complies with the PECB Examination and Certification Program (ECP) requirements. The exam covers the following competency domains:

- Domain 1: Fundamental principles and concepts of a business continuity management system (BCMS)
- Domain 2: Business continuity management system (BCMS)

For more detailed information about the PECB examination process, please visit Examination Rules and Policies.

Certification

After successfully passing the exam, you can apply for the credential shown on the table below. You will receive the certificate once you comply with all the requirements related to the selected credential.

For more information about the PECB certification process, please refer to the Certification Rules and Policies.

General information
